# Medical Product Guide

A guide to the products and services that Main Street Medical Supply offers to help you bring health and wellness home.

# Welcome

At Main Street Medical Supply, we know you want to maintain a high quality of life. The problem is that you need the right medical equipment and supplies to do it. We understand how hard it can be to find the right medical equipment and supplies, and we believe you deserve to be cared for with personal service that helps you get exactly what you need. With over 20 years of industry experience, a team that's dedicated to your health and wellness, and plenty of trusted brands to choose from, you can have total confidence in your purchase.

To get started, plan a visit to our store and talk with our team to find the products that are right for you. Don't wait — plan a visit to our store today! And in the meantime, browse our medical product guide so you can stop worrying about losing independence in life or buying the wrong product, and instead, have confidence knowing you have the products you need to maintain a high quality of life.

This guide does not include everything we carry, only an outline of the main products the stores carry. For prices or details please give your store a call.

# Style

We believe that you deserve to feel confident and safe. Mobility aids do not have to look boring. We stock a variety of items in a wide assortment of colors and patterns so you can express yourself while feeling safe and secure on the move.

- Single Point Canes- Lightweight aluminum, soft foam handle
- Quad Canes - Low center of gravity/greater stability and balance
- Specialty Canes - Adjustable folding seat canes, Sugar Canes, Offset Canes, Folding Canes, walking sticks
- Cane Accessories - Cane tips, All-Terrain quad bases, flashlights, holders, bags, and straps.
- Crutches - Made out of aluminum, they feature a push button for easy height adjustment and have a marked height for easy adjustments. We also carry forearm crutches and pediatric crutches

# Independance

- Rollators - We carry Nova, Vive, Stander and Triumph models in a variety of colors, sizes, and styles
- Standard Walkers - Lightweight aluminum frame, 5" fixed wheels, and a two-button release for great security. Walkers fold to 4" in width for easy transport and storage.
- Up Walkers - Gives your body the vehicle to rise up and look forward. The unique design allows for walking with an upright forward-looking posture, optimum control and stability, and

reduced body strain and fatigue.

- Wheelchairs - (standard/ultra-lightweight)/Transport chairs - 16"-24"
- We also carry Strongback specialty wheelchairs, and bariatric wheelchairs
- Wheelchairs and Walker Accessories - Cell phone and cup holders, baskets, bags, seat covers, cane holders

*We are passionate about empowering independence and celebrating the freedom of movement. With our Rollators, you'll gain a reliable new set of wheels to support your active lifestyle. Whether you're strolling through the park, exploring your neighborhood, or simply enjoying your daily routine, our Rollators are designed to help you move confidently and comfortably.*

# Freedom

- Powered Scooters - Golden and Pride: 3- and 4- wheel scooters. Weight capacity 250-500lbs
- Power Wheelchairs - Golden, and Pride lightweight and easy-to-fold models.

We carry the latest in power mobility. Sleek, lightweight, and easy-to-use. Come in to a Main Street Medical Supply store near you and take a test drive.

We also carry an assortment of power mobility accessories.

*Power mobility devices, like power wheelchairs and scooters, are more than just a means of transportation—they're a gateway to freedom! Designed for comfort and safety, our power mobility options reduce physical strain, enhance stability, and provide greater freedom for individuals with limited strength or mobility.*

# Safety

- Bedside Commode - Folds and unfolds in seconds, making it ideal for travel. Comes complete with a bucket, lid, and splash guard.
- Toilet Seat Elevators - Adds 3.5" to 5" to the height of the toilet seat to aid in sitting and rising. Features a front-locking mechanism for easy installation.
- Shower Chair/Shower Stool - Provides comfortable seating while bathing. It is constructed out of heavy-duty molded plastic and comes complete with height adjustable non-corrosive aluminum legs and slip-resistant rubber tips.
- Toilet Safety Rails - The toilet safety rails have a one-piece mounting design for easy width adjustment. The rails bolt securely to the toilet.
- Swivel Transfer Bench and Shower Chair - The bench swivels with the pull of a lever, and also slides from side to side, allowing the user to easily transfer into the shower or tub. The chair swivels with the pull of a lever, allowing the user to more easily get in and out of the chair. Best of all, it can be assembled easily in under 5 minutes - tool free!
- Tub Grab Bars - Grab bars come in different sizes and options to give you safe and strong support. Available in permanent and non-permanent models.
- Rubber Bath Mats - The bath mats have a suction grip that allows them to attach securely to a tub's surface and helps prevent slipping. They are anti-fungal treated and 16" x 28".
- Security Poles - Stander-tension mounted and curved grab bar.
- Transfer Bench - Features a removeable back, arm rest on one side, and non-skid rubber tips and suction tips.
- Rolling Shower Chairs - PVC 18" - 30"
- Shower Accessories - 2 and 5 function shower heads, bath mats, suction cup grab bar available in 16" - 24" lengths.
- Toilet Lift - At the push of a button it lifts you up or sets you down gently on your toilet.

*Bathrooms are dangerous because they're small spaces with lots of hard surfaces and corners. On top of that, sitting down and standing up can cause dizziness or unsteady balance for seniors because of blood pressure changes or muscle weakness. That could easily lead to a devastating or embarrassing fall.*

*We stock a wide array of products that help keep you safe in the bathroom.*

**Grab Bars**  
allow for multiple gripping positions for stability in the shower or bathtub.

**Universal Bath + Shower Seats**  
Bring comfort and safety in the shower or bathtub.

**Bathtub Rails**  
offer stability while getting in and out of the tub.

**Raised Toilet Seats**  
are a must for anyone with bending or sitting difficulties.

**Handheld Shower Sprays**  
give users the freedom to bathe while sitting on a bath seat.

**Bath Mats**  
with suction cups work well as tub and shower mats for slip resistance when bathing.

# Comfort

- Compression Stockings/Socks - Below knee, thigh high, sheer, dress socks (available in open toe or closed toe, gripper socks).
- Anti-Embolism - available in small-XXL
- Orthotic Insoles - Pedifix: Men and women, gel step, arch cradles, work insoles, gel insoles, gel step-heel cups.

- Knee Wedges - Improves circulation and helps to maintain pelvic position.
- Wheelchair Cushions - Gel and foam combo provides weight distribution and even pressure relief available up to 24" in width.
- Travel Cushions - Curved ergonomic shape designed to relieve neck and shoulder pain and muscle tension for a better night's sleep.
- Travel Pillows - Made of memory foam and features a soft velour cover for a comfortable experience while traveling, reading, or resting.
- Lumbar Support - Supports natural curvature of the lumbar while ensuring airflow.

*As we age, comfort becomes essential for maintaining a good quality of life. The right fit and pressure in a compression sock, the perfect cushion for the task at hand, can make all the difference in the world. We measure you for the right compression fit and we stock a wide array of cushions.*

# Well-Being

Choosing the right furniture for your home is crucial for optimum function, comfort, and relaxation. On the list of essential furniture pieces to complete your home set up, reclining chairs are a staple. To make maneuvering and relaxation even easier, you should be looking at lift recliners specifically. There are a lot of benefits a lift chair can offer you over a standard recliner that make the purchase worthwhile. For anyone who's experienced difficulty getting up from a standard chair, a lift chair can be life changing. At Main Street Medical Supply we have a wide selection of lift chairs with a variety of features, sizes, and fabrics.

# Dignity

Providing care for individuals experiencing incontinence in a way that respects their privacy, self-worth, and autonomy, is a priority to our staff. We can direct you to the appropriate patient aids and supplies that minimize embarrassment and promote a sense of control over bodily functions. We stock the essentials to manage incontinence with dignity.
